PRAISE & WORSHIP NIGHT

Greetings in Christ,

We thank God for the powerful praise and worship vigil that was held on 21st Nov, 2025. It was a night filled with God's presence, heartfelt worship, prayer and spiritual renewal. From the moment we gather, the environment was filled with reverence and expectation.

Voices rose together in unity, lifting songs of praises that reminded us God's goodness, mercy and unfailing love. The space was sacred where hearts were opened and burdens were lifted.

In this age and era, it really is amazing to find youths who have dedicated their lives to serving the Kingdom. My greatest highlight for me this year is joining YES FAMILY #JesusRevealed; JesusGlorified.

GATITU MYM MISSION

My journey with the YES Family has been nothing short of a blessing and a true testimony of God's grace in my life. When I joined, I didn't fully know what to expect, but God used this ministry to shape me, strengthen me, and draw me closer to Him in ways I never imagined.

Through YES Family, I found a family—young people who love God, who encourage each other, and who are willing to serve with humility and joy. The fellowship, the prayers, the worship moments, and even the challenges became part of my growth. I saw God working not only in me, but also through the people around me.

I was given a chance to be part of Gatitu MYM Mission. The activities, camps, and daily gatherings gave me a deeper understanding of commitment and teamwork. I experienced genuine support from the

YES Family facilitators in the mission and their encouragement kept me going even when I felt weak or overwhelmed. Their positivity reminded me that God always places the right people in our lives at the right time.

Being part of the mission also taught me the importance of availability, responsibility, and being an example to others. I learned that serving in ministry is not just about showing up—it is about being present in spirit, offering yourself fully, and allowing God to use you.

One of the greatest parts of my testimony is how the Mission helped me grow spiritually. The prayers, the praise and worship, the sharing of gospel songs, and the unity during outdoor activities reminded me that God works through both quiet moments and joyful gatherings. I found a deeper peace, a renewed sense of purpose, and a stronger desire to live out my faith boldly.

I thank God for YES Family. because through this ministry, I discovered more of who I am, and more importantly, who God is in my life. The Gatitu Mission experience will always remain a powerful chapter in my journey of faith.
